## **Carr Telephone Company's Demonstration of Compliance with Service Quality Standards and Consumer Protection Rules for Voice and Broadband Services:**

In establishing this certification in its *2005 ETC Order*,<sup>1</sup> the FCC found that an ETC must make “a specific commitment to objective measures to protect consumers.”<sup>2</sup> The Commission found that for wireless ETCs, compliance with CTIA’s Consumer Code for Wireless Service would satisfy this requirement” and that the sufficiency of other commitments would be considered on a case-by-case basis.<sup>3</sup> In this context, the FCC stated, “to the extent a wireline or wireless ETC applicant is subject to consumer protection obligations under state law, compliance with such laws may meet our requirement.”<sup>4</sup>

Carr Telephone Company (“Company”) hereby certifies that it is complying with state and federal service quality standards and consumer protection rules. The Company is subject to consumer protection obligations for voice services under state law. These obligations include, but are not limited to, the following: (1) filing a Local Exchange Tariff pursuant to the requirements of The Michigan Public Service Commission (MPSC), as specified in Section 202(b) of the Michigan Telecommunications Act (MTA) and MPSC Case No. U-11103, which disclose rates, terms and conditions of service to customers; (2) adherence to Michigan state consumer protection requirements governing telephone providers, Prohibitions as identified in Sections 305 and 502 of the MTA, Costing

The Company is subject to consumer protection obligations for broadband services under federal law. These obligations include, but are not limited to, the following: public disclosure of accurate information regarding network management practices, performance, and commercial terms of broadband internet access services; as a means of providing sufficient information for consumers to make informed choices regarding use of such services, and for content, application, service and device providers to develop, market, and maintain internet offerings as specified in F.C.C. 47 C.F.R. Part 8 §8.3. The Company furthermore will comply with all requirements set forth in the *2015 Open Internet Order* when it becomes effective.

**Carr Telephone Company's Demonstration of Ability to Function in Emergency Situations:**

**Carr Telephone Company** ("Company") hereby certifies that it is able to function in emergency situations as set forth in the Code of Federal Regulations, Title 47, Part 54, Subpart C, §54.202(a)(2)<sup>1</sup> and the Michigan Telecommunications Act (MTA). The Company's voice and broadband network is designed to remain functional in emergency situations without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations as required by Section 54.202(a)(2). The Company can change call routing translations as needed to reroute traffic around damaged facilities. Changing call routing translations will also allow the Company to manage traffic spikes throughout its network, as emergency situations require.

Specifically, each central office building is supplied with standby generators and battery back-up that enable the central office to keep running until power is restored so long as fuel is available, or until system changes are made to reroute traffic. The Company has battery backup at all office locations and in its electronic equipment sites in accordance with the specifications identified in Section 305c(a) of the MTA, 484.2305c Emergency power requirements; compliance. The Company complies with the FCC's backup power requirements, effective October 16, 2015.

1 Section 54.202(a)(2) requires ETCs that are designated by the Commission to "demonstrate its ability to remain functional in emergency situations, including a demonstration that it has a reasonable amount of back-up power to ensure functionality without an external power source, is able to reroute traffic around damaged facilities, and is capable of managing traffic spikes resulting from emergency situations."

## BROADBAND AND VOICE SERVICES QUALIFY FOR DISCOUNTS

**Federal Lifeline Benefits are now available for qualifying broadband as well as voice services.**

**Broadband Service:** Federal discounts are only available on certain services. State discounts do not apply.

- Broadband speeds must be 10 Mbps download and 1 Mbps upload or faster to qualify.
- Lifeline discounts on broadband include a transfer restriction (port freeze) for 12 months. This means that once Lifeline broadband discounts begin on your service you will be unable to obtain a Lifeline discount with another provider for 12 months if you switch your service. If you already have a Lifeline broadband discount with another provider, you cannot get a Lifeline discount from a new provider until 12 months after your current broadband Lifeline discounts began.

**Voice Service and Bundled Voice-Broadband Service:** Federal and state discounts are available to qualified participants.

- Lifeline discounts on voice include a transfer restriction (port freeze) for 60 days. This means you are unable to obtain the Lifeline discount on service with another provider for 60 days from the date that your current voice service Lifeline discounts began.
- If you purchase a bundle of voice and qualifying broadband, the federal discount will be applied to your qualifying bundle, and the 12-month benefit transfer restriction will apply. State discounts will apply to your voice services only.
- If you purchase voice service and a non-qualifying broadband service, you will receive both state and federal Lifeline discounts on your voice service.
- Certain exceptions to the transfer restrictions apply. See [www.usac.org/ls/change-my-company.aspx](http://www.usac.org/ls/change-my-company.aspx) for more information.

**General Condition Applicable to All Services:**

REVISED 4/2017

**Michigan Lifeline Administration Service  
Lifeline Household Worksheet**

Lifeline Program support is a federal benefit that provides a monthly discount on home phone (i.e., landline phone) or cell phone service. **Only one Lifeline Program-supported service per household** is allowed under Federal law. Answer the questions on the following page to determine if there is more than one household living at your address, and if your household already receives a Lifeline Program benefit.

**Providing false information on this form may result in losing your Lifeline Program-supported service and possible criminal penalties.**

Your household is everyone who lives together at your address and contributes to, or shares in, the income and expenses of the household. Household expenses include food, health care expenses, and the cost of renting or paying a mortgage on your place of residence and utilities. Income includes salary, public assistance benefits, social security payments, pensions, unemployment compensation, veteran's benefits, inheritances, alimony, child support payments, worker's compensation benefits, gifts, and lottery winnings.

Members of a household are not permitted to receive more than one Lifeline Program-supported service. You are receiving a copy of this form because records indicate that more than one person at this address is receiving a Lifeline Program benefit. Each person at this address who receives a Lifeline Program benefit and has not yet completed and returned a household worksheet will receive a copy of this form, pre-populated with his/her name, address and telephone number.

If you DO NOT share income and expenses with the other adult(s) living at this address who receive Lifeline Program benefits, or there are no other adult(s) living at this address receiving Lifeline Program benefits, you **MUST STILL** sign this form to continue to receive your Lifeline Program benefit. If you fail to do so, you will be de-enrolled from your Lifeline Program benefit.

If you live with another adult(s) who shares income and expenses with you and who has a Lifeline Program benefit on his or her phone service, your household is receiving more than one Lifeline Program benefit. If so, you **MUST** take the following steps: (1) consult with the other adult(s) in your household currently receiving a Lifeline Program benefit and decide who will keep the Lifeline Program benefit for the household; and (2) the person who will keep the Lifeline Program benefit, AND ONLY THAT PERSON will fill out the form IN FULL and return it to his or her telephone service provider within 30 of days of the date of this communication. The telephone number listed on this form will be the number which will retain the Lifeline Program benefit.

**If the PERSON IN YOUR HOUSEHOLD WHO WISHES TO KEEP THE LIFELINE PROGRAM BENEFIT FOR THE ENTIRE HOUSEHOLD HAS ALREADY PROVIDED a household worksheet to their service provider, then NO FURTHER ACTION IS NECESSARY. (The person named below does not need to sign and send this form to their Lifeline provider).**

**After 30 days of the date of this letter, all other subscribers at this address below who have not completed a household worksheet will NO LONGER have a Lifeline Program benefit.**
